## "Torchy" Peden Talks To Lions on Pro. Bicycle Racing

Shows Lions One of His Machines with Which he Raced in Europe, States and Canada

Highlight of the Lions supper-meeting on Monday evening was an address by Corporal "Torchy" Peden, world famous professional six-day bicycle rider.

Cpl. Peden is attached to No. 4 Command, R.C.A.F., Calgary, is an instructor in charge of air cadet squadrons. His address to the Lions and their guests covered bicycle racing in detail and six-day bicycle racing in particular. In the latter sport he had excelled and today holds the world's record for having the most wins, being on the winning team thirty-eight times. He has raced in all important European capitals as well as the United States and eastern Canada.

His advice to Canadian youth was to apply themselves faithfully to whatever pursuit they decided upon, whether in sport or some other vocation.

Most interesting was one of his racing bikes which he had brought with him. He answered many questions as to its construction and cost.

The R.C.A.F. is to be congratulated for choosing a man of such fine type to instruct the Air Cadets.

## LOCAL COMMITTEE FORMED TO AID YASINOVATAYA

The Pass committee of the National Council for Canadian Soviet Friendship held a meeting at the Coleman town hall on Sunday, May 14. There were 12 delegates present representing 8 organizations. In view of the fact that some of the organizations in Coleman were unable to have their delegates present it was decided to elect a local committee of the council to act temporarily till other organizations have an opportunity to be represented.

Principal D. Hyle was elected chairman of the committee and Mr. Peter Meronuk, secretary, with a committee of five members to assist.

The committee plans to have letter boxes in public places in order to give the people of Coleman an opportunity to write to the committee for information regarding the council. Letters to people in the adopted Russian town of Yasinovataya will be very welcome.

The delegates from all organizations will meet again in the town hall at 7 p.m. All organizations as yet not represented are invited to have delegates present.

TREASURE HUNT  
On Tuesday, May 16, at 5:30, the senior CGIT gathered at the manse, Coleman, just long enough to read the first instructions for their "Treasure Hunt." They set out in groups of three, even the heavy shower did not dampen their enthusiasm. After stopping at several "Ports of Call" for instructions, the "Hunt" ended in the church club room, where the "Treasure" was found by Dalcie Davies, Audrey Root and Esther Gordie. When the other "hunters" arrived all sat down to supper prepared by Leader Mrs. Kettys, assisted by Miss M. Jones. After supper a special camp-fire service was held outside. The Leader read the words while three girls, Helen Rogers, Cathie Kettys and Vicky Chyalsky, knelt to light the fire. The girls then sang the camp-fire song, after which Mrs. Kettys took the worship service. "Taps" and the "Mizpah" benediction brought another happy evening to a close.

## COUNCIL DEALS WITH ROUTINE MATTERS

Grand Union After Lot, Being Vacated By Curling Club; Henry Claes Secures Support In His Efforts For Taxi License

Regular meeting of the council was held on Monday evening. Present Mayor Antrobas, Councilors Aboussay, Cox, Dutil, Lowe and Ramsay.

L. S. Richards, manager of the Grand Union hotel was present and made enquiry towards securing the three lots, now being vacated by the curling club, for sewage purposes. Works & Property committee along with the Mayor were authorized to investigate with power to act.

School board chairman George Evans was present. He informed council that E. Salvador, present holder of the contract to transport school children to and from Sentinel, had given the Board 30 days notice. He asked council's endorsement of Henry Claes' effort to secure a taxi license. Should Mr. Claes' effort be successful he would be awarded the school contract. Council promised Chairman Evans its fullest support.

A letter was received from Edgar Thomas asking that the dog be exempt from the \$2 license fee. He claimed that the dog was invaluable to Mrs. Thomas who was blind. Request granted.

A rate of 26 mills was struck for the school assessment. School estimates for 1944 totalled \$50,000.

A. M. Saunders, of Calgary, sent a letter to council. He was strongly opposed to a license being granted Crescent Shows to show in Coleman. Letter was filed.

A \$10 grant was given the Salvation Army. The appeal was made in support of a Home For Unfortunate Girls.

The Chief of Police's report

was read and discussed. Mr. George Derbyshire has graciously donated a 1904 scene of Coleman townsite. The gift will be framed and hung in the council chambers.

A small fee was granted Mrs. Antrobus to take care of miscellaneous office expenses incurred during the distribution of the new ration books.

Council was informed that two local contracting firms have begun the work of riding their caterpillars over the local hard surfaced streets. They will be asked to refrain from that practice in future.

Five barrels of asphalt oil was authorized ordered. It will be used in street repair work.

Works & Property Chairman Wilfred Dutil gave council an outline of work contemplated by his department this summer. Badly cracked and broken sidewalks will be repaired, culverts renewed where needed and the hard surfaced streets will be given attention where they are found to be breaking up too drastically.

Last year the two Androsak girls secured accommodation at two homes at Barons, Alberta. At that time it was agreed that a monthly fee of \$7 would be paid for each girl. At the start of the school term \$30 was granted each of the girls for clothing and school books. A few weeks ago the council received notice from Mrs. Fred Anderson and Mrs. Roy Anderson, in whose homes the girls are residing, that \$7 per month was inadequate and asking for \$20. Council raised the monthly grant to \$10 per girl. The ladies are insisting on \$20 monthly according to the latest letter received by council. The latter body is now referring the case to the Child Welfare Department.

## MOTHER'S DAY SERVICE AT ST. PAUL'S COLEMAN

With Superintendent Percy Dickie on charge, the Sunday school conducted the morning service following the theme, "The Home Makes The Nation." The junior choir attended in full strength, contributed an anthem and lead in the worship of song. Biblical quotations bearing on the theme were read by a number of boys. This was followed by paragraphs representing the attitude of various mothers: Pat Wilks spoke as the Pioneer Mother, Jean Parker as the New Canadian Mother, and Isabelle Ewing as the Mother of Today. Finally, a sketch of the story of the Soong family of China as an example of the remarkable influence which a Christian home may have, was taken by Norma Liesemer. Floral tributes were then presented to those present who were great-grandmothers, grandmothers, or mothers. A "backed house" bore witness to the appreciation of the service.

## Rev. and Mrs. Hague Honored By Parishioners

Had Been Here Six Years; Each Presented With Parting Gifts.

Following the church service on Sunday evening, the parishioners of St. Alban's gathered in the parish hall to farewell the Rev. J. R. Hague and Mrs. Hague. After a delicious lunch served by the Ladies' Guild, Mr. Pettifor, chairman of the evening, spoke briefly on the work done by Mr. Hague during his incumbency here for the past six years, and expressed the good wishes of the parishioners for his success in his new parish. In concluding his remarks, Mr. Pettifor, on behalf of the parishioners, presented Mr. Hague with a billfold containing a \$100 Victory Bond as a token of esteem and in appreciation of his services here. Mrs. James Kellogg, president of the Ladies' Guild, presented Mrs. Hague with the gift of the Ladies' Guild, a beautiful table lamp, thanking her for her faithful and sympathetic work in her organization.

Mr. and Mrs. Hague expressed their thanks, saying they had many happy memories of the time spent in Coleman. Mr. Hague appreciated the co-operation of the parishioners, and especially the members of the Ladies' Guild.

Mr. and Mrs. Hague left on Monday morning for Innisfail, Mr. Hague having been appointed to that parish.

## Ruling Given on Tax Exemption Question

Board Expresses Its Appreciation to Teachers and Students For Initiative in Publishing The Journal and Sponsoring Concert.

Regular meeting of the school board was held on Tuesday evening. Present Chairman Evans, and Trustees Stigler and Vasek.

A letter was received from the Public Administrator giving more light of the soldiers' property tax exemption question. He stated that a soldier's wife was at liberty to rent one or more of her rooms, provided she too had living quarters in the home, and still retain tax exemption benefits.

Subscription to the Alberta Trustees magazine was renewed. The board went on record, expressing its appreciation of the initiative of the teachers and students responsible for publishing The Journal on Thursday, April 27, and for the fine issue published, and also to the teachers and students responsible for the grand concert on Friday, May 12.

All accounts were passed for payment.

Mrs. D. Gentile returned from the Pacific coast on Saturday very much improved in health. She was accompanied home by Margaret McLellan. While at the coast they were the guests of Mr. and Mrs. Angelo Gentile.

## Coleman High School Students Thrill Audience With Concert

Dances, Tumbling, Music Skits, Delight Large Number And Draw Tears of Laughter.

The various talents of the C.H.S. students provided a most enjoyable evening for a capacity audience in the Community Hall on May 12, the proceeds of the concert to be used to finance a year-book project.

Against a colorful background of national flags, these versatile students presented scintillating musical selections, colorful folk dances, splendid tumbling exhibitions, side-splitting skits, and a number of clever imitations all to the delight of the audience.

After the singing of "O Canada" the performance opened with two selections from Gilbert and Sullivan's "H.M.S. Pinafore" entitled "Carefully on Tip-Toe Stealing" and "Gaily Tripping" sung by the C.H.S. choir under the direction of Mr. J. Cosmina. At intervals throughout the programme the choir sang other songs including a Czech folk song "Aj Lucka" (Ah Lovely Meadows) and a Scottish Ballad, "A Hundred Pipers."

Mr. Hoyle's dancing group presented something very new to Coleman audiences, two ancient and very impressive ceremonial dances, as well as a jolly Swedish courtship dance.

Between numbers Audrey Root and Donald Kettys, announcers, amused the audience with humorous biographies of some of the performers.

Two highly entertaining skits, "The Fool" and "Dead-End Dick" organized by Mr. S. Odras and acted by Grade 9 students, had the audience roaring with laughter, and many a former owner of a Model-T laughed until the tears ran down his cheeks at the satirical episode.

The tumbling group under the supervision of Mr. R. Spillers impressed the audience with their skillful and efficient work both as individuals and as a group. Little Lawrence, the group's mascot from Grade 1 solemnly opened the exhibition. The artists followed through with magnificent horse work, mat work and new chair tricks.

Among the other splendid items were two delightful songs by Shirley Hulbert, a piano solo by Donald Graham, and an accordion solo by Ernest Belik. An instrumental trio including Margaret Smith, Donald Graham, and Gordon Roper and vocal trio with Tessie Korchuka, Francis Dibble, and Karl Johnson added to the sparkling musical selections of the evening's performance.

Most enjoyable novelty numbers, a colorful tap dance by Betty Hilary and Clara Dick, and clever imitations by David McDonald added to the variety of the entertainment.

Because this week marked the fourth anniversary of the German occupation of Holland, the choir chose as its last selection the "Netherlands' Hymn" and then the programme closed with "God Save The King."

## MAKE YOUR DOLLARS FIGHT!

It has taken us four years to build up our war production to the point where we can trade the enemy blow for blow. During that precious time, many of Canada's sons gave their lives.

For four long years we worked and bided our time, knowing that when we had gathered our strength their debt would be paid and repaid.

Their sacrifice must not be in vain.

## ...IN ONE EASY LESSON

In wartime, more people are working and there is more money to spend but half of what is made is for war

so consumers can't get all they want and people will bid more for what is available so prices go up...

and workers need higher wages costs of production go up and producers and dealers need higher prices

and the vicious spiral of inflation gets started but wages and salaries don't catch up with living costs the spiral grows—and the sky is the limit

money buys less and less hardship and confusion sweep over factory, farm and home

## 50. To Protect Us All from the Rising Cost of Living and the Disaster of Inflation

a ceiling is set on prices wages and salaries are controlled to prevent higher production costs from pushing up the ceiling and excess profits are taxed away

and individual incomes are taxed more heavily Victory Loans are launched to pay the costs of war

supplies are divided fairly among producers and merchants rationing is introduced to ensure a fair share to everyone at prices within the reach of everybody

and nobody is permitted to take advantage of the war to get more than his share while the boys are out there fighting

(This advertisement is one of a series being issued by the Government of Canada to emphasize the importance of preventing a further increase in the cost of living now and deflation later.)

## WEDDINGS

## ANCELOT — MEIRANOWITZ

A lovely wedding took place at the Catholic church on Saturday, May 6, when Elsie Agnes Meiranowitz, second youngest daughter of Mr. and Mrs. J. Meiranowitz, of Bellevue, became the bride of Albert Louis Ancelot, third son of Mr. and Mrs. J. Ancelot, of Coleman.

Entering the church on the arm of her father to the strains of the Wedding March, she was very pretty in a white sheer gown and full-length bridal veil held in place by a wreath of orange blossoms. She carried a bouquet of roses and carnations.

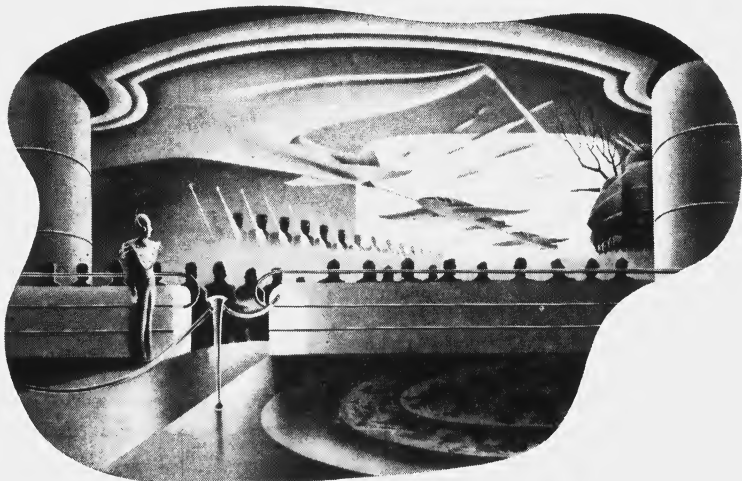

Attending the bride were Helen McIsaac, of Burmis, who chose a gown of blue sheer, and Josephine Kubenic who chose a gown of yellow sheer. They each carried bouquets of carnations and chrysanthemums.

Supporting the groom were Cyril Ancelot, brother of the groom, and Tony Ledieu, both of Coleman.

A reception was held at the home of the bride's parents where only immediate relatives and friends were present.

The happy young couple will take up residence at Bellevue where the groom is employed.
